

The Curious Minded Tween

The December Challenge begins... NOW!

Complete Oct., Nov. and Dec. challenges and receive a prize!

All challenges, instructions and projects are available on the events page of our website, www.andersonlibrary.org. Questions must be answered completely, and photos must be sent of completed projects.

1. What is the most important function to live? Explain why it is important.
2. How do you breathe? Describe in 40 words or less
3. Perform the three breathing techniques (download pdf on website) describe which you like the best and why.
 4. What species holds their breath the longest?
 5. How are they able to hold their breath so long?
 6. What are myoglobins and how do they work?
 7. **The Experiment:** Let's Make Oxygen!

Send completed challenge to amoorhead@andersonlibrary.org
